A Way of the Cross for the Bereaved

Through God's grace and healing presence we will gather in a safe, confidential environment to explore the depth of the heart where God's healing love abides.

The weekend is designed to support one another and the grief experiences.

Each topic is anchored in Scripture and offers a personal connection with the suffering of Jesus, where one can fully embrace their own pain and grief.

Gain greater insight and understanding of your Grief Expression.

Discover strategies & coping skills to make space to support your healing process.

Concludes with Mass on Sunday afternoon.

The weekend includes: prayer, reflection/meditation, presentation materials, handouts, journaling, storytelling and optional personal sharing.
