Our Divine God communicates with us through the language of the natural world. When we intentionally slow down and spend time in the outdoors, we have the opportunity to connect to the presence of the Sacred in unique ways. The beautiful and peaceful OLG grounds provide a wonderful space to hit the pause button and commune with our Creator. Come for a guided immersion in nature as we utilize our senses while walking, sitting, praying, engaging with scripture and deepening our relationship with God. **Appropriate for Ages 12+.**

Please wear comfortable walking shoes
and dress appropriately for the weather. **RAIN or SHINE**
