10am-4pm lunch included

The humble bee defies the odds- flying even though, aerodynamically, it “shouldn’t” be able to. Its constant buzzing is said to be a hymn of praise to God, a reminder that joy and purpose can be carried in even the smallest acts.

In this uplifting retreat, we’ll explore how the bee’s perseverance and purpose can inspire us to rise above our own limitations. Together, we’ll reflect on what is truly possible in our lives, and how our voices- like the bee’s song- can become powerful, prayerful hymns to the world around us.
