Aging can be a special invitation to grow and open us to the depths of God in a unique way through our faith stance. Whether you have come to one or many of our previous programs, or none at all, our themes are never exhausted. You will find conversation with others of an age and like-mindedness to be rewarding and encouraging. We will be exploring new topics, i.e. feelings of despair and resilience, the fruits of the Holy Spirit, discernment, love languages, and more. This is a journey we need one another to travel.
